We believe that the wearing of a school uniform creates a sense of community identity; it also helps the children focus on their education as soon as they dress for school each day. Our uniform has been chosen for its ease of availability in general high street stores.

Items of clothing that are particular to the school (ie: sweatshirts, fleeces, ties etc.) can be ordered and purchased from our uniform supplier Beat school uniform. Children may also wear jumpers, cardigans and polo shirts without the logo in school colours from general retailers.

Beat School Uniforms also stock optional uniform items such as fleece jackets, raincoats, summer hats and water bottles.

It is vital that each child's clothing is clearly named.
